

helping you on your way

Mercedes-Benz

Mercedes Citan REC

- Official Daimler approval
- Possibility to either keep the original back seat, or to place 1 or 2 separate seats on second row
- The center part of rear bumper will be replaced on hatch extension, thus maintaining the original look
- Modified fuel tank and exhaust system to accommodate a deep and level lowered floor
- Generous dimensions for the wheelchair passenger, giving good all round visibility
- By extending the tailgate, the lowered floor is perfectly sealed off
- All necessary restreports issued by Dutch Department of Transportation (RDW)

Standard

- Lowered floor up to front seats
- 4-point wheelchair tie-down system (ISO-norm 10542) with two electric roll-up belts at the front and two removable retractors at the rear
- Adjustable 3-point seatbelt for the wheelchair passenger
- Modified fuel tank and exhaust system to accommodate a deep and level lowered floor
- Double folding lightweight ramp (130 cm)
- Fully isolated lowfloor with matching upholstery

Options

- NIVO system to hydraulically lower rear of the car (with lightweight ramp of 66 cm)
- One or two (removable) seats on second row
- Taxi ramp
- Ramp, hatch and hydraulic lowering system operable by remote control
- Winch
- Bodyguard

Conversion possible with a tailgate and two rear doors.

Dimensions Mercedes Citan REC:

- 1 Entrance height 143 cm
- 2 Interior height 147 cm
- 3 Length of lowered floor 150 cm
- 4 Width of lowered floor 85 cm
